O Summary:

C This is to report that contacts are made by phone and visits to the home where the children reside with
i Leslie Long.

a During the month of July, 2026, there were no visits with efforts to schedule but never happened.

i On August 17, 2026, I made a visit to the home and met with Robin Long to deliver back packs to the
c children. I observed Tashawn and Terrance took off in another room down the hallway. Taiden was not
e home.

S On August 19, 2026, I contacted Leslie Long after receiving a report form the San Carlos Healthcare that
e Terrance Talkalai needs a medical health follow up and has not been seen since 2023. Leslie will make an
appointment.

r On September 3, 2026, CPS was called by San Carlos Police Department reporting that Robin Long was
v under the influence while with Terrance Talkalai at the San Carlos Hospital and Robin Long left the
hospital premises against doctor's order. Terrance Talkalai was going to be admitted into Phoenix
i Children's Hospital for concerns of being malnourished and underweight. Jerry James, CPSI and case
C worker met with Officer Camarillo and Robin Long was arrested. Leslie Long was contacted and a family
member Alyx Jones picked up the children at the home until Leslie Long returned. Leslie took Terrance
e back to the hospital and he was admitted for a couple days at Phoenix Children's Hospital.

On September 11, 2026, a home visit was made to the home by the case worker. I met with Leslie Long and the boys. Terrance was still sleeping during my visit. Leslie reported that the boys are doing very well and developing well with their growth and they have a strong bond with one another. Tashawn showed me some of his free-hand drawings and he is an artist. Terrance likes puzzles and coloring. The children all attend school regularly and other family members such as Renelle Kitcheyan and Alyx Jones assist with watching the children while Leslie works. Leslie reported that Robin Long is staying temporary at Donna Crasium's resident.

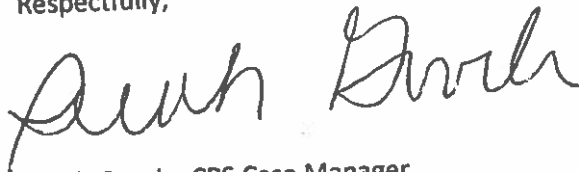

Robin Long:

As of June 16, 2026, Robin Long has not completed the assessment piece to determine treatment plan/goals. On June 22, 2026, Robin Long was discharged from the program for non-compliance and she can re-enroll in 30-days. Currently, Robin Long is not engaging in services.

Recommendation:

The case worker recommends the children remain in placement with Leslie Long, maternal aunt as we move forward.

Respectfully,
