## **Children's Report:**

Mavis McIntosh and Brooklyn Sadda are in relative placement with Brooklyn's paternal grandmother, Mary Sadda in Grants, New Mexico. They have been there since May 22, 2026, since the report was made to the court of the concerns regarding previous placement, with maternal grandmother, which was addressed on May 21, 2026. A home study was completed on May 29, 2026. All tribal backgrounds were completed on 5/22/2026. Mary is okay with Mavis being in her home, she states as long as they are both together. She is welcoming to Mavis, her and the family.

Brooklyn is currently enrolled in Mt Taylor Elementary School, in 4<sup>th</sup> grade. She was finally accepted and has been attending school as of August 31, 2026. Mavis is currently on the waiting list for the Head Start Program. Brooklyn needs a lot of work with her reading and math; her scores are very low. She will be having 1 on 1 tutoring sessions to get caught up.

Family therapy sessions have been occurring via zoom with their mother, for visitation. They recently had one on 9/4/26, mainly on Friday's they have the zoom sessions. Mavis states she wants to go back, she misses her mom, dad and grandma. Mavis's has a daily routine, she gets up, folds her blankets, eats breakfast, and cleans up after herself. She has well adjusted to the home environment, both Mavis and Brooklyn. Mavis calls Mary's kids, uncle and aunty. There have been no issues or concerns to report to the court, or reported by the family. There was a zoom visit for 9/11/26 but was rescheduled.

Mary has been financially supporting them and getting into a routine that they have adjusted well to. Brooklyn has rekindled her relationship with her father, Marcus Sadda. He also does help take care of her while in the home. Brooklyn is up to date with her immunizations. Once Mavis is enrolled in school, she will need a physical to be completed. Mary does need a court order for the girls.

## **Parent's Report:**

Angela Enriquez has completed the parenting program, with a certificate issued for 8/20/2026, and substance abuse counseling certificate, issued for 8/14/2026. Mother is currently under a disposition order that was issued for 2/19/2026.
