Children's Report: Skyler Noline and Kaliyah Belvado are in the current relative placement with their maternal aunt, Linda Mahsill. They have been in her care since May 16, 2025. Skyler recently graduated from Head Start and will be repeating another year of Head Start. I did see his mom present at his graduation back in May. They were all taking group pictures. Mother Angela, does help care for Skyler. Linda Mahsill had recently lost her mother; Angela has been there a little bit more often than usual to help with the kids but continues to use substances. Kaliyah was supposed to have a ceremony recently but with the lost of a loved one, they will be setting it for September. Kaliyah will be continuing her education locally, at the Middle School, 7th grade. Kaliyah does continue to get medical care for her eye and had recent surgery, which went well. Linda does also take her sister along at times, Angela for the medical appts. Although they may have disagreements are arguments they continue to help each other and help be there for the kids.

Linda Mahsill is currently employed with the San Carlos Unified School District. She also does receive TANF for assistance that does help with the kids' necessities.

Parent's Report:

Angela has been dropped from the program. She was dropped back on 10/20/2025 for 4 weeks of consecutive weeks without a no call no show or an excuse for why she missed class. She has not completed any classes or services since the case has been opened. She is not engaged in any services.

Nor, has any of the fathers, Xavier Noline or Leanord Belvado Jr. have been engaged in services nor have contacted me or cps directly.

Visitation: Angela does visit with her children when needed help by her sister, Linda.

Authorization & Consent Order: Issued for Linda Mahsill on 8/7/2025

Recommendations:

On behalf of the San Carlos Apache Tribal Social Services and in the best interest of the children, that they remain in their aunt's care, Thank you.

This concludes my report, Respectfully,

Lori Goode, CPS Case Manager
